2023 Nov- 2024 Mar	<i>Customer Assistant, Greens Retail, Strathblane</i> Customer assistant, full time.
2020 May- 2023 Jan	<i>Tech Support, Graphic and Web Design, Volunteer organisation, Glasgow</i> 100hrs design and delivery of promotional and social media material, including leaflets, stickers, infographics, website elements, and posters. Gave presentations and ran workshops on graphic and web design for other volunteers. 100hrs configuration, deployment, and maintenance of Linux servers for organisational services using open source software, and on-call tech support. I maintained documentation and produced audio-visual tech support guides and a website. 100hrs organisation and leading of in-person events in Glasgow and Edinburgh, and leafleting.
2021 Dec- 2022 Jan	<i>Customer Assistant, Marks and Spencer, Dunbarton</i> Temporary worker, full time.
2019 Oct- 2020 Mar	<i>Waitress, Roti Southbridge, Edinburgh</i> Waitress, part time.
2017 July	<i>Work Experience, 40hrs, WSP (Civil Engineering), Southampton</i> Assisted professional engineers to gain insight in the civil engineering industry. I was expected to learn quickly with minimal instruction, and take initiative to get myself involved with work. I did training modules that involved drafting knowledge and maths, used AutoCAD in a professional context, and assisted with a live civil engineering project.
